About EPFNC

The East Point Football Netball Club established in 2001. Both our football and netball teams compete in the Ballarat Football Netball League, comprising of teams in the Ballarat and surrounding region.

Over the years, we have enjoyed tremendous success as a club. In recent years, we have seen our A, B, C, D and E Grades all make continuous appearances in finals. In 2022 we contested grand finals in B, C, D and E grade, where we won all four premierships. Our football have relished in similar success, including back to back Senior premierships in 2018 and 2019.

The recent success that the club has had can be attributed to the hard work by so many people who have either served on the clubs committee or volunteered their time to make the clubs what it is today.

As a club, we pride ourselves on being competitive teams across both the football field and netball court. We strive to give opportunity and develop players from our junior club, whilst also welcoming the recruitment of new players who embody our values.
